

Department of Genetics

November 19, 1958

Miss Lois Larkin
Hall Institute, Royal Melbourne Hospital
Parkville N.2
Victoria, Australia

Dear Miss Larkin:

Please regard this letter as a formal invitation to an appointment in my laboratory as a Research Assistant for a period of one year, approximately September 15, 1959 to September 14, 1960. In accordance with our other correspondence you will receive a stipend of not less than 3600 dollars for that interval. Please let me know if we can be of any help in furthering your application for visa and in your travel arrangements. As you understand, your principal duties will be in connection with the Research Project on Mechanisms of Antibody Formation which Dr. Nossal will be in charge of during that interval.

Yours Cordially,

Joshua Lederberg
Professor and Executive Head
Department of Genetics
